STATEMENT PURSUANT TO MPEP § 2404.01
TO IRREVOCABLY REMOVE RESTRICTIONS TO ACCESS BIOLOGICAL
DEPOSITS UPON PATENTING

Sir:

This is a submission of a Statement pursuant to MPEP § 2404.01 concerning availability of deposited biological materials upon the grant of patent rights.

Applicants hereby state that the biological materials deposits made pursuant to the instant application as set forth by the Budapest Treaty on the International Recognition of the Deposit of Microorganisms for the Purposes of Patent Procedure in an approved International Depository Authority, namely the Agricultural Research Service, Culture Collection (NRRL) 1815 North

Atty. Ref. No. 030738

University Street, Peoria, Illinois 61604, as itemized below, are made available upon the granting of the patent and irrevocably remove any restrictions on the availability to the public upon the granting of said patent.

The undersigned inventor declares that the foregoing is true and correct, that all statements made on information and belief are believed to be true, and, further, that these statements were made with the knowledge that willful false statements and the like are punishable by fine, imprisonment, or both, under Section 1001 of Title 18 of the United States

Atty. Ref. No. 030738

Code, and that false statements may jeopardize the validity of a patent which issues from the
above-identified patent application.

Respectfully submitted,

Lhing-Yew Li, Ph.D.
Inventor
